Scene from "What Will People Say?" Today's Feature Film Offering at the Robinson Grand.

LeComte and Flesher will shortly present at the Robinson Grand Thursday afternoon and night, February 17, Carl George in the cyclonic dancing musical comedy, "September Morn," which is a revel of fun, songs and tangoes, with Jo Taylor, "The American Gaby Deslys" in dances now the rage. Vera LaVere, Carl George, Walter M. Wellitt and the smartest, swiftest cast of the season, are seen to

her in motion pictures. She is supported by an unusually strong cast, which includes Fritz de Lint, Fraunholz, William Morse, Charles Dungan, John Dudley, Zedee Burbank, Marilyn Reid, Eleanor Sutton, Jean Thomas and other well known stage and screen stars.

Tomorrow, Jesse L. Lasky will present Valeska Suratt in "The Immigrant," by Marion Fairfax.

The Friars are to have a Frolic in May to help build a new monastery. After their performance in New York, they will go on tour.

"Let Katy Do It" is the big thing at the Bijou today. It showed yesterday and was pronounced the best picture yet offered by the Griffith's fine arts company. It is so different from the ordinary picture that the manager's face was wreathed with smiles all day Monday in receiving compliments from the large crowds that attended the Bijou. (And, by the way, the managers like to receive praise when they put out a good one.) Jane Grey and Tully Marshall are the principals.

Sam Bernard is a sure hit in the Keystone comedy, "The Great Pearl Tangle," also showing today. The scenes are laid in a fashionable modern shop and one can imagine the stunts that are pulled off.

"Pom Pom," with Miss Hajos in the leading role, has made a hit in Boston.

Julia Arthur received an ovation in Boston when she appeared there in "The Eternal Magdalene."

OIL AND GAS DEVELOPMENT OF TRI-STATE

Latest Reports of Operations in West Virginia, Pennsylvania and Ohio.

The North Lima, South Lima, Indiana and Wooster oil market was advanced five cents a barrel yesterday, making the quotations for North and South Lima \$1.58, Indiana and Wooster \$1.43 and \$1.75 respectively. The advance will stimulate operations in the northwestern Ohio and Indiana fields but the Buckeyes and Hoosiers are in very much the same position as operators in the eastern fields. Unless they can discover some new producing territory their efforts will be confined to developing closer the old fields.

After a run of light wells, the Big Injun sand development on Fishing creek, Green district, Wetzel county, W. Va., has come to the front with a good producer. The well is the Wildwood Oil Company's second test on the S. L. Morgan 300 acres and has just been drilled into the Big Injun pay and is reported showing for a 200 barrel producer. The location is one-half mile southwest of the I. C. Kingsley good producer on the J. B. Wildman farm, which came in last summer and had an initial production of 600 barrels.

On Rush run, Smithfield district, Roane county, the South Penn Oil Company completed and shot No. 14 on the M. L. Ferrell farm and it is good for fifteen barrels a day. In the Blue creek field, Elk district, Kanawha county, the Ohio Fuel Oil Company gave its No. 8 on the G. W. Belcher farm a shot in the Weir sand and increased its production from 20 to 60 barrels a day.

On Fall creek, Jefferson district, Kanawha county, the Edwards Oil

Company has started to drill a test on the T. E. Newman farm, in Duval district, Lincoln county, the South Penn Oil Company has completed No. 40 on the Horse Creek tract and it is ten or fifteen barrel producer.

Gasser in Tyler County. In Centerville district, Tyler county, the Sun Gas Company drilled a second test on the Cain heirs' farm through the Big Injun sand and developed a gas pressure in that formation. The location is 1,400 feet southwest of the first test on the same farm.

In Centerville district, the Hope Natural Gas Company's test on the Harrison Davis farm is a gasser in the Big Injun sand. On Fishing creek, Green district, Wetzel county, the Manufacturers' Light and Heat Company has drilled its test on the Evan Morgan farm through the Big Injun sand and it is a five barrel producer. The Silver Hill Oil Company drilled its test on the Thomas Snodgrass farm into the Salt sand and developed a gasser. It will not be drilled deeper at this time.

In Clay district, Ritchie county, the Imperial Oil and Gas Products Company's No. 2 on the W. S. Keith farm is not showing very good staying qualities. When drilled in last week it started at 150 barrels a day but has now declined to seventy-five barrels. Southeastern Ohio.

On the Ohio side in the deep sand territory in Ward township, Hocking county, Cowell, Cochran and Funk have completed and shot No. 6 on George Price farm, and it did not respond to the shot, but will make a light producer. In Meade township, Belmont county, the Natural Gas Company of West Virginia has drilled a test on the Marinda Leuellen farm through the Big Injun sand and it is showing for a twenty-five barrel producer. The location is 700 feet north of the test on the John Luellen farm. In the Reas run district, Independence township, Washington county, W. E. Sykes and Company has started to drill a test on the Sall S. Berry farm.

SALEM DUCK PIN TEAM LOSES GAME

Local Bowlers Pile Up a Big Score and Win from Salem Team on Salem Alleys.

The I. M. P. Amusement Company's second duck-pin team defeated the Salem team in a fast and exciting game rolled on the Salem alleys Monday night by a total of 135 pins.

The total made by the I. M. P. team is the largest that has been made in this state for many months. In the three games the local bowlers piling up a total of 1938 pins, or an average of 646 for each game. The Salem boys took the lead in the first game, winning it by eighteen pins. In the second game the locals finished strong and won it by sixty-seven pins, giving them a lead of forty-nine pins to start the last game with. In the last game the Salem bowlers weakened and the locals increased their lead to 135 pins.

Coffman, of the I. M. P. team, had high average for the contest and tied with Michotte, also a local bowler, for high average.

M'WHORTER TEAM

Trounced by Lost Creek High School Quintet by Score of 45 to 5.

The Lost Creek high school basketball five broke its long losing streak Monday night by trouncing the McWhorter Independents in a one-sided game played on the Lost Creek floor by a score of 45 to 5.

The McWhorter team was outclassed in every department of the game and it was readily seen after the

RHEUMATICS SHOULD KEEP FEET DRY

Drink Plenty of Lemonade and Water and Avoid Alcoholic Drinks.

All this talk that rheumatism can't be cured, that people must suffer terrible agony, gnawing pain and swollen joints until the disease has run its course, is all humbug. Modern physicians know this, and many of them are prescribing a doctor's prescription known as Rheuma, which all good druggists keep in stock.

To end rheumatism or sciatica and banish it forever, you must fight it and conquer it with something more powerful than the poisonous secretions that cause it.

Rheuma is a powerful yet harmless remedy, and the very first half-teaspoonful dose you take will indicate to you that the poisons are leaving your system.

Wells-Haymaker Company or any druggist from whom you purchase Rheuma will gladly hand you back your money if two 50-cent bottles do not stop the gnawing pain, the sharp twinges and reduce the swollen, twisted joints.—Advertisement.

"DIXIE GIRLS" PLEASE AT ODEON THEATER

Interesting Musical Comedy Offering Has a Very Amusing Climax.

With pretty damsels, funny comedians, fine dancers, especially clean and attractive costumes and tuneful melodies, the Bartles Musical Comedy Company, with Miss Myrtle Bartles and her "Dixie Girls" surpassed all advance press notices with their three performances at the Odeon yesterday. This musical show has all the features that please and none that offend. The audience is delighted with something or other from the time the curtain rises until the close of the performance. Each part seems better than the other until the climax is reached amid a most excitingly amusing comedy mixup. Nothing in the line of tabloid has surpassed the Bartles Musical Comedy Company.

It is difficult to pick out the stars of the performance as each member of the company works and works hard every minute for the success of the show. The singing part of the show is exceptionally good, and the whirlwind tango dancers make a big hit at every performance. Helman Peterson, a blackface comedian, is great and the chorus of six petite and lovely girls is one of the chief features of the show. The work on these young ladies is of superior order, and deserving of favorable comment. There will be a change of performance tomorrow afternoon.

Helen of the Hazards has a new nickname. A motion picture magazine in its February issue christens the Kalem railroad heroine "The Girl With Nine Lives."

Amick's "Pennant Winners" in "Count Molinsky" pleased a big matinee and capacity business at two performances at the Palace theater last night. The show is scrupulously clean, filled with catchy music and goes with

and thrills and has a plot that will hold interest to the last scene. Tomorrow, the beautiful little favorite, Cleo Madison, will be seen in the Universal Broadway feature, "A Soul Enslaved."

Versatility and brilliant talents are possessed by both the famous "heavy" leads in "The Diamond from the Sky." Charlotte Burton and William Russell, partners in evil doing in the great American fictionized novel, have completely changed character in "The Smugglers of Santa Cruz." Russell is seen in a magnificent, romantic role, and Miss Burton, as "Verna," the unsophisticated daughter of a California coast light-house keeper, follows the call of love—even to self-destruction.

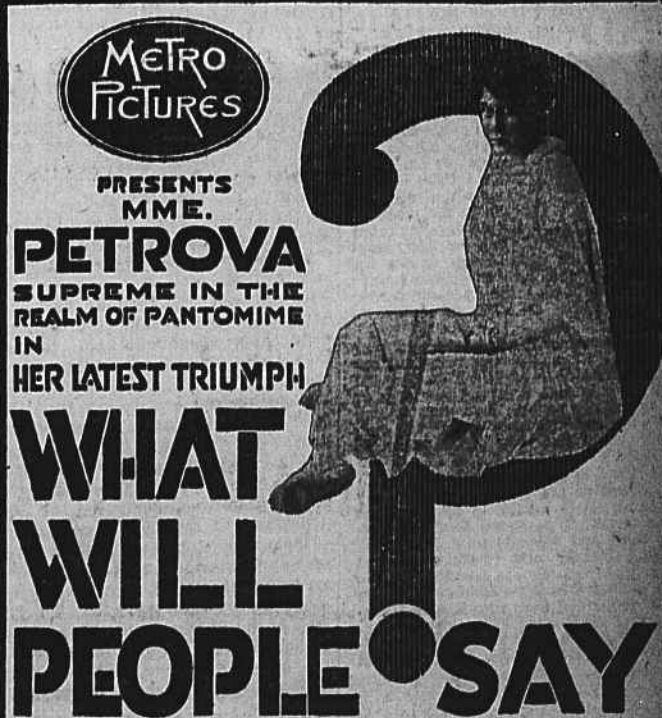

Mme. Petrova, the foremost emotional actress of the stage and screen, who is being starred in Metro wonder-plays, is seen on the screen at the Robinson Grand today in "What Will People Say!" an interest compelling five part feature, produced by the Popular Plays and Players. In this feature, the original of which was written by Rupert Hughes, the famous dramatist and novelist, Mme. Petrova has found the best vehicle ever provided
